

CHEMISTRY (Imp NL) Breeding Contract

CHILLED/FRESH SEMEN SUPPLY

Heather Kyros is acting on behalf of KJK Equestrian Pty Ltd as agent for the purpose of coordinating the breedings for Chemistry (imp NL). This agreement is between KJK Equestrian Pty Ltd ABN 16647513497 and the breeder named in Item 1 of the Schedule (Breeder) for the provision of chilled or fresh semen (Dose) from Chemistry (Stallion) (Service).

1. Service Fee is payable when returning this Contract. The Service Fee is inclusive of GST. It is a requirement that the Mare has a 21, 42 and 60 day positive pregnancy test performed by the Veterinarian who inseminated the Mare and a copy of these certificates must be forwarded to Heather Kyros (agent) within 7 days. Should the Mare not have a 21, 42 and 60 day positive pregnancy test, all guarantees are null and void. Vet checks for pregnancy and correspondence etc. may be emailed to hkyros@bigpond.com
2. Breeding will commence upon veterinary advice of a negative swab.
3. Heather Kyros (agent) will supply one (1) additional Dose upon request and confirmation from a Veterinarian, verifying the Mare has not conceived after the original insemination Dose. All collection, handling and transport costs associated with the supply of the additional Dose will be the responsibility of the Breeder.
4. KJK Equestrian will supply one (1) additional Dose under the terms of this agreement, subject to the Breeder giving Heather Kyros (agent) a Veterinarian's report:
 - a. That the Mare aborted/slipped the foal; or;
 - b. The foal was stillborn, or;
 - c. Should the resulting foal not live to 24 hours .

*The Breeder must provide a death certificate and a report from a Veterinarian within seven (7) days of the foaling or abortion of the foal. This report will state that the Mare was properly cared for. Proper care shall include, but not necessarily be limited to, proper feeding and nutrition, regular de-worming with products approved for pregnant mares, vaccinations and proper intervention during foaling if necessary.

5. A maximum of one pregnancy is allowed for each Service purchase.
6. This Service may not be sold or transferred to a third party. Should the said Mare fail to conceive with the first Dose, substitution of a second Mare in her place is acceptable.

CHEMISTRY Breeding Contract

TERMS AND CONDITIONS

1. The Breeder must pay:
 - a. The Service Fee.
 - b. A Handling Fee of \$275.00 due to KJK Equestrian Pty Ltd immediately prior to each Dose dispatch.
 - c. All other costs and expenses associated with Dose supply, i.e. Shipping & Vet Collection Fees

2. In the event that the Service is used in an Embryo Transfer program and more than one embryo is recovered, additional Service Fees are payable in accordance with the number of embryos recovered at a rate of \$1,950.00 for each additional embryo and positive pregnancy tested recipient mare.

3. Supply of Dose:
 - a. The Breeder must give Heather Kyros (agent) at least 24 hours written notice via email to dispatch the Dose. The Handling Fee is due at this time, and prior to dispatch.
 - b. If Chemistry is away competing, semen may not be available, please enquire about upcoming shows before planning for the Mares cycle.
Chemistry will be departing Australia Dec 1 2023 for competition in Florida, no chilled semen will be available December 2023 - May 2024.
 - c. Risk of loss or harm to the Dose passes to the Breeder at the moment when the Dose is delivered into the custody of the veterinarian overseeing the collection.
 - d. The Breeder acknowledges that Heather Kyros (agent) shall not be responsible for any delays that may occur in relation to transport. Heather Kyros (agent) will not be liable for any costs associated with lost or delayed semen or the Breeder's vet fees relating in any way to the Mare. The Breeder acknowledges that it is the responsibility of the Breeder to obtain insurance cover for the transportation.

****Collections take place at WestVets Marburg QLD**

****Please fill out a Transported Semen Request Form available at westvets.com.au (client forms - equine) and return to marburg@westvets.com.au at the latest by 6pm the day prior to collection.
